

TEW JR.™ SEEDER

The TEW Jr. Seeder is an affordable planter with a classic drill type planter design. These seeders are used to plant small to medium seeds, spaced closely together in a row. There are 3 steel seed discs included with 39 diff. size holes to plant with. These planters are used to plant crops like spinach beets, carrots, lettuce, onions cabbage & other close spaced crops. The seed hopper is removable for easy clean out. The TEW Jr. seeder parts are 100% interchangeable with the Planet Jr. style seeders.

TEW JR. SEEDER MODEL HH-SP LIST PRICE \$ 595.00

**CURRENT SALE
PRICE \$ 525.00**

- * Rugged cast iron & steel construction for durability *
- * Spring-loaded scraper prevents build-up of dirt on press wheel *
- * Press wheel is just under 3 inches wide with concave design which firms the soil, leaving a loose zone directly over the seeds
 - * Adjustable floating coverer pulls dirt over the seeds *
 - * Seed flow is automatically cut-off when unit is lifted *
- * The floating hitch permits a 4" travel for each drill to allow it to independently follow the ground contours & grade
 - * Enclosed gear drive provides positive drive transfer *
 - * Soil opener shoe slices a clean furrow at consistent depth *
 - * Large capacity hopper is standard *
- * Large 3 inch wide front wheel levels the seed bed & provides steady drive to the hopper drive
- * Planting depth is set by a wing nut on the seed opener, no tools are needed *
